

## Autumn Pointe HOA - Approved Garage Doors

Approval from Board of Directors must be obtained prior of replacing the garage door. The Board of Directors will inspect the garage door once new door is installed to ensure the door meets the specifications listed below. Any garage door that does not exactly match the specifications must be replaced with a door that meets the specifications.

Replacement garage doors specifications as follows:

Color – Sand Stone (aka Taupe)

Brand: Wayne Dalton

Model: 9100 colonial

Material: Aluminum powder coated

Not have any windows

4 panels and roll up

2 vents placed only on the corners of lower panel

Design – Must match that of Garage B21 (2315 Highbury Ave).

Note: If you are planning on painting existing garage wooden door please look for color code to be used in website.
